

Joint committee on judiciary

To the honorable members of the joint committee on judiciary, Please oppose house bill 6355. Support house bill 6491.

Raised HP 6355 is based on the Gifford's in Bloomberg's red flag system. Keep Connecticut's current law that must be filed by to law-enforcement officers and they must conduct a non-biased minimal investigation.

Sincerely,  
Anthony Deleonardo  
Guilford, CT
